

**Continent:** a large area of land that consists of several countries.

**Country:** an area of land that is controlled by a single government.

**Ocean:** each ocean is a large body of water that the Earth's water is divided into.

**Equator:** a line around Earth that is equal distance from the poles that splits the planet into the Northern and Southern hemisphere.

**Climate:** a weather condition that occurs for a long period of time.

**Physical feature:** the natural features of the Earth like rivers, mountains and seas.

**Human feature:** the man-made features of the Earth that are linked to people and places, like houses and bridges.

**Landform:** natural features of the Earth such as hills, valleys or seas.

**Culture:** the way of life of a particular people.

Life in Africa varies depending which country you live in. Some aspects of life in Nantwich are similar but much is very different.

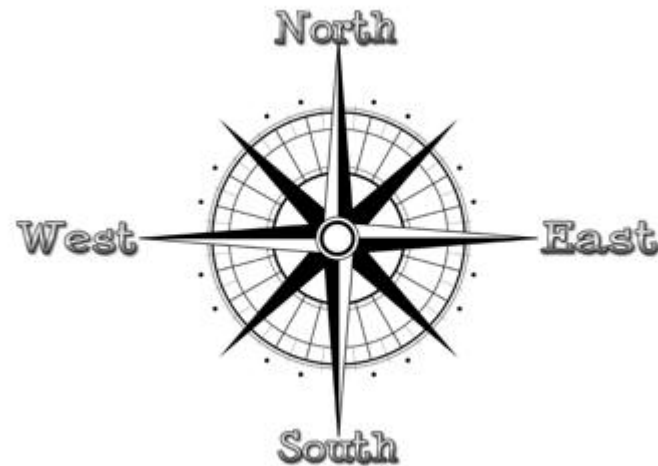

“If I have ever seen magic, it has been in Africa.”

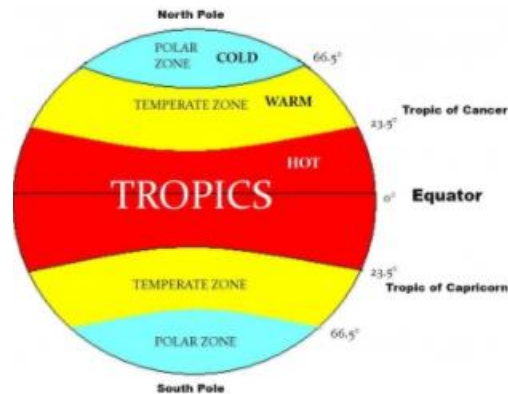

John Hemingway

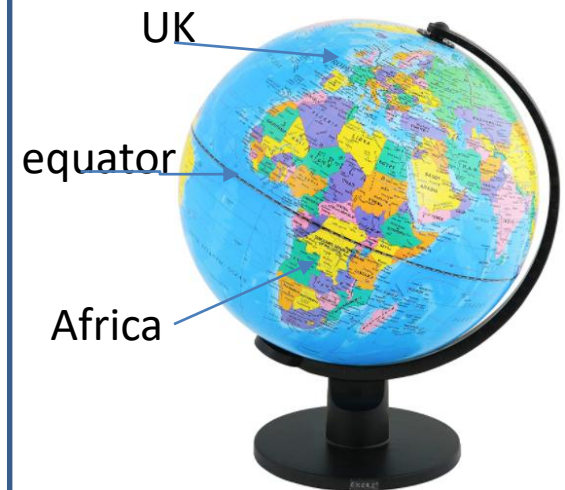

The continent of Africa

The 5 ocean's of the world
