

FRENCH

PETS

By the end of this unit we will be able to:

- Know the nouns and indefinite articles for 8 common pets.
- Ask somebody if they have a pet and give an answer back.
- Say in French what pet we have/do not have and give our pet's name.
- Start to use the simple connectives **et** (and) and **mais** (but) to make more complex and interesting sentences.

It will help if we already know:

- The letter sounds (phonics & phonemes) from phonics and pronunciation lessons 1 and 2 and vocabulary from the **Early Learning** units.
- Vocabulary from '**Je Me Présente**' and '**Ma Famille**' units.
- The difference between a definite and indefinite article/determiner.
- That nouns in French have gender and this has an impact on the determiner.
