Some Best Bits this week

Our Nursery children have had so much fun rolling tyres and hula hoops down the hill! There were lots of giggles as they experimented with speed, direction, teamwork and jumping out of the way!

In PE, Reception had so much fun zooming around on scooter boards! The children loved pushing themselves around, building their gross motor skills, strength and balance - all with big smiles and lots of laughter!

In DT, Year 3 have been exploring what life was like in the Stone Age by designing their own Stone Age huts. They began by thinking carefully about the materials that they could use and then produced a design specification. Once their plans were complete they brought their ideas to life by using 3D nets to build the huts base structure.

In History, Year 4 have learnt more about the Romans and how their Empire grew from Rome to most of Europe, parts of Asia and Northern Africa. They also had an amazing day at the Clonter Opera near Congleton.

Year 5 also had a fantastic visit to Clonter Theatre. The children explored behind the scenes and learned how stage productions come together. They designed and built their own miniature theatre sets, met professional opera singers, and took part in an exciting singing workshop. The visit ended with a wonderful live performance, which really brought the magic of theatre to life and inspired everyone

Our whole
school
attendance
target is
96.5%.

Whole school attendance last week was **97.4%**.
Brilliant!

As a whole school, a total of 43 sessions were
lost due to absence, 21.5 days of learning!

Congratulations to **Year 5** for having the highest
class attendance at 98.6%. Well done!

As always, the gates/doors are open from
8.30 – 8.40am and learning starts promptly.
Please make every effort to ensure your child is
on time.

ATTEDNANCE CUP WINNERS YEAR 3!

**PLEASE REPORT ALL ABSENCES VIA THE SCHOOL
OFFICE (NOT CLASS DOJO)**

Birthdays!

A huge Happy Birthday to Abigail who
has celebrated a special day over the
past week. We hope you received
lovely presents, enjoyed delicious
birthday cake and had a wonderful
time!

This academic year, we
are using 'Picture News' as
a resource to support us
in finding the positives in
current affairs by turning
world events into learning
opportunities.

We know that children see
stories in the news they
are curious or confused
about and this can
sometimes be tricky to
explain. Picture News will
help us show your children
the world around them in
a child-friendly way.

Please talk to your
child/ren about the Big
Question – it's a great
opportunity to get involved
in your child's learning.

**The big question this
week is:**

**What makes a good
peacekeeper?**

This year marks the 80th
anniversary of the United
Nations (UN). Leaders
and communities around
the world are reflecting
on how important
working together is in
solving problems.

NPA's Learning Power Heroes

Learning Power: Reflective

Teddy in Year 5 has been taking a reflective attitude to his learning, thinking and acting in a mature way and making a great effort to stay focussed. Well done, Teddy.

Learning Power: Responsible

Adam, Harry and Jaxson from Year 4, represented the school, with their peers, amazingly well in football, against difficult opposition. They should be very proud, we are!

Learning Power: Reciprocal

A massive well done to Daisy, Harry and Miyah in Year 3, for showing fantastic teamwork during the football tournament this week. They supported one another, communicated clearly and encouraged each other to do their best.

Learning Power: Resourceful

Orianna from Year 6 has had another brilliant week. She always completes her work to an excellent standard and her love of writing means that when she has a spare minute, she can be always be found writing her latest book! Well done, Orianna!

Learning Power: Risk Taking

In Year 2, Alvand is celebrated for being brave with ideas and sentence types to create a wonderful piece of narrative writing. Well done Alvand!

Learning Power: Resilient

Jacob in Year 1 tries so hard and doesn't give up when he is working and his work is tricky.

Reception

Sid has been an extremely keen member of our drawing club this week! He has produced beautifully detailed drawings about our story adventures and used his phonics skills to annotate them with wonderful codes.

Nursery

Darcy is a kind and helpful member of our class. She is always one of the first to offer help to all her friends and to the adults in the classroom. Keep being your lovely self, Darcy!
