

I WISH IT COULD BE CHRISTMAS EVERYDAY

When the snowman brings the snow

Well he just might like to know

He's put a great big smile on somebody's face

If you jump into your bed

Quickly cover up your head

Don't you lock the doors

You know that sweet Santa Claus is on the way

Well I wish it could be Christmas everyday

When the kids start singing and the band begins to play

Oh I wish it could be Christmas everyday

Let the bells ring out for Christmas

When we're skating in the park

If the storm cloud paints it dark

Then your rosy cheeks gonna light my merry way

Now the frosticles appear

And they've frozen up my beard

So we'll lie by the fire till the sleep simply melts them all away

Well I wish it could be Christmas everyday

When the kids start singing and the band begins to play

Oh I wish it could be Christmas everyday

So let the bells ring out for Christmas

(Optional Speaker) "Ok you lot, take it!"

Well I wish it could be Christmas everyday

When the kids start singing and the band begins to play

Oh I wish it could be Christmas everyday

Let the bells ring out for Christmas

Why don't you give your love for Christmas
