## Some Best Bits the week .....

Nursery have had a wonderful time taking part in a sensory bear hunt adventure. The children enjoyed squelching through muddy patches, feeling the soft, wet ground beneath their feet and swirling through a pretend snowstorm with lots of excitement and imagination. Their enthusiasm and engagement were fantastic to see as they worked together to search for the bear!

Reception have been enjoying the story, Tidy by Emily Gravett. They've been learning all about how to look after our wonderful environment and why it is so important. They've also been helping to take care of our environment by litter picking and learning about recycling. To share their ideas, they designed posters to remind everyone how to look after our world. Well done, Reception, for being such caring and responsible learners!

Year 2 have been investigating data sets. They thoroughly enjoyed analysing the different types of Easter eggs that were donated for our Bingo evening. The usual treat of a maths lesson, got that little bit sweeter.

Our whole school attendance target is **96.5%**.

Whole school attendance last week was **97.6%**. This is above our whole school target.

As a whole school, a total of 41 sessions were lost due to absence, 20.5 days of learning!

Congratulations to **Year 6EL** for having the highest class attendance at 100%. Well done!

As always, the gates/doors are open from 8.30 – 8.40am and learning starts promptly. Please make every effort to ensure your child is on time.

**PLEASE REPORT ALL ABSENCES VIA THE SCHOOL OFFICE (NOT CLASS DOJO)**

## Term Dates

School **closes** on Friday 27<sup>th</sup> March at 3.15pm or After School Club at 4.30pm.

School **reopens** on Monday 13<sup>th</sup> April at 8.30am or Breakfast Club from 7.30am

## Birthdays!

A huge Happy Birthday to Miyah, Noah, Rosie, Noah, Mana, Oliver, Maxwell, Ronnie and Esme.

We hope you received lovely presents, enjoyed delicious birthday cake and had a wonderful time!

This academic year, we are using 'Picture News' as a resource to support us in finding the positives in current affairs by turning world events into learning opportunities.

We know that children see stories in the news they are curious or confused about and this can sometimes be tricky to explain. Picture News will help us show your children the world around them in a child-friendly way.

Please talk to your child/ren about the Big Question – it's a great opportunity to get involved in your child's learning.

**The big question this week is:**

**What makes someone a champion?**

**Athletes from around the world have been competing in the Winter Paralympics Games in Italy?**

# NPA's Learning Power Heroes

## Learning Power: Resourceful

Hollie Year 6 has been incredibly resourceful this week, using a variety of strategies in Maths to help her solve as many calculations as possible. She is a Maths Magician, and we are so proud of her!

## Learning Power: Reflective

Dzhan in Year 1 reflected on his practical learning in Literacy and Geography to write a caption independently about creating a shelter for Grandad's island.

## Learning Power: Reciprocal

Zak and Teddy in Year 5 have shown fantastic teamwork whilst working on their video production. They collaborated brilliantly, sharing ideas and supporting each other to create a great final piece. Their creativity and cooperation really stood out!

## Learning Power: Responsible

What a wonderful week in Year 2 you have had Christopher! You have been thoroughly engaged in class and shown such a desire to do well and learn new things. We have loved seeing your smiling face every day!

## Learning Power: Risk Taking

Possibly the best Singfest performance I have seen, Year 4 did NPA proud on Wednesday; being brave in front of an audience and singing so very well.

## Learning Power: Resilient

Esme in Year 3 has shown fantastic resilience in her learning, working incredibly hard on her Maths tests. Even when she found the questions challenging, she didn't give up and kept on going. Great job!

## Reception

Aylah has been working hard in writing, focusing on letter formation and oral blending new words. She has been writing words and simple sentences. Well done Aylah!

## Nursery

Ezekiel showed great enthusiasm during our sensory bear hunt walk. He has been joining in retelling the story and using repeated refrains and actions. Well done Ezekiel!

Has your child taken a **Dojo Master** bow this past week?

What has your child done to earn their Dojo Points this week?

Year 4 have had an amazing week this week taking the opportunity to show off their musical skills as they performed at Brine Leas High School in the Singfest 2026 Concert. What a fabulous effort, they represented our school so well and we're truly proud! Thank you also to all the parents who came along to support them.

*wishing you all a wonderful break! Thank you for your kind words and support this term, it is much appreciated. Looking forward to seeing you all back ready for the Summer Term on Monday 13th April 2026.*

### School Office and Staff Contact

Please contact your child's classteacher via Class Dojo for class related information or the School Office for absence, uniform, lunch, snack and any other queries.
